

Astronomy Nights!

Visit the night sky!

Learn more about planets, stars, and the sky above us. Telescopes will be provided at the Western Science Center by members of the Riverside Astronomical Society.

The Riverside Astronomical Society is a volunteer organization started in 1957 in Riverside. The society organizes and participates in numerous community and education-related events each year and enjoys bringing the world of astronomy to the public.

**When? January 27, Saturday
5:00 pm**

Where? Western Science Center

Children under the age of 13 must be accompanied by an adult.
